## FRENCH ATTACK IS RELIEF TO POLAND

A large scale offensive by the French army was believed imminent today as the French General staff announced a widening of the Moselle Valley front. Informed French sources said the French military machine has sufficient reserves of war munitions to risk at this time an offensive similar to those employed by the allies in the last months of the World War.

On the Swiss border where France's northern army is invading Germany, more than 600 tanks were used in the thrust. The battle in the Moselle Valley had already penetrated twenty miles into German territory and a number of German towns are being surrounded by the French troops.

The capture of Warsaw by Adolf Hitler and his army was imminent as German troops closed in on the Polish capital.

Neville Chamberlain, British Prime Minister, in a speech today said Poland is fighting stubbornly in the face of all German advances. He said that the combination of forces of England and France are working successfully in every detail.

President Roosevelt announced today that domestic gangsters will not be permitted to corner the basic commodities of flour, sugar and meat, and all profiteering will be severely dealt with.

Confirmation of the landing of 100,000 British troops in France came today in press dispatches. German sea power in 1914 made im-

mediate assistance to the French impossible, it was pointed out in these dispatches. The British government said the troop movement and the first contingent of troops to be placed on the continent was the fore-runner of a vast concentration of British power on the western front.

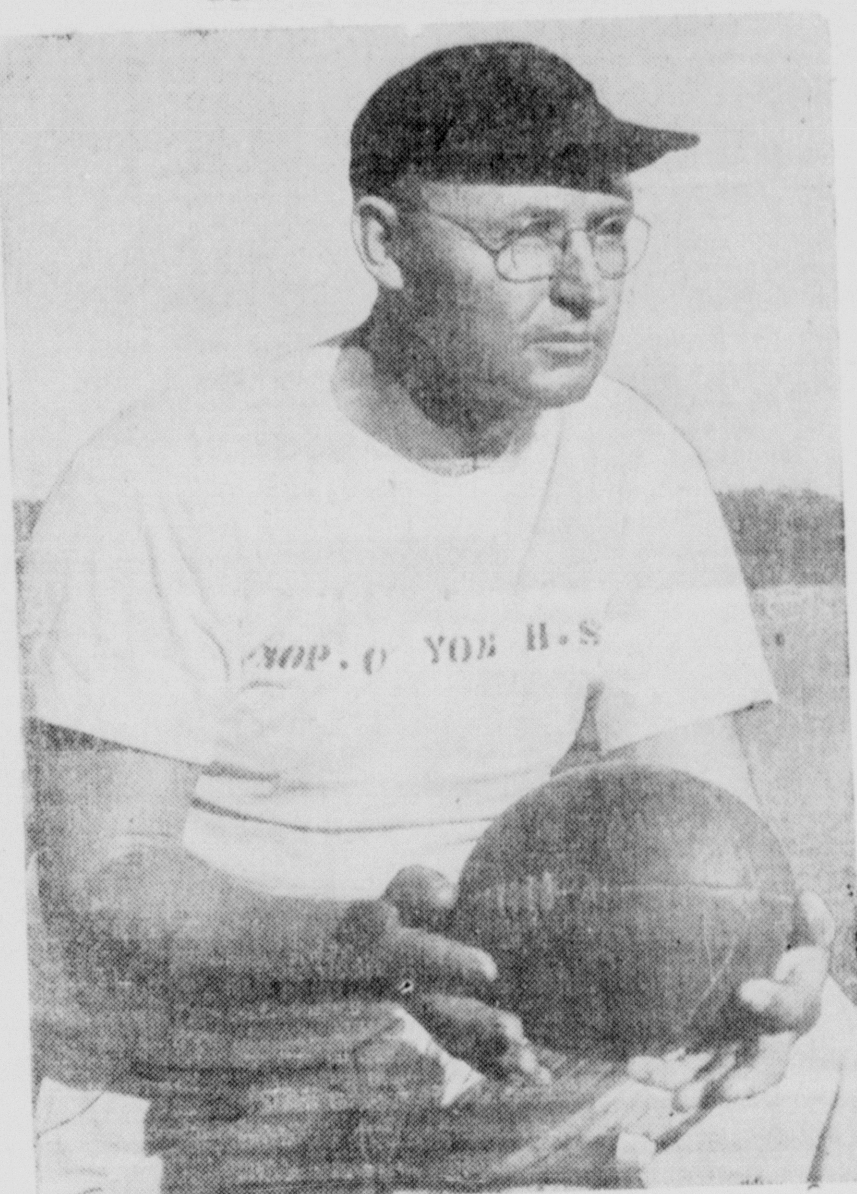

Newspaper men had succeeded in reaching observation points on the French border near the Alps and for the first time an authentic account was given of the French advance into German territory on the north end of the Siegfried line.

### LATE WAR NEWS

While German troops were hammering at the gates of Warsaw the Polish capital, France with more than 5,000,000 men on the western front, had moved definitely into the war picture.

The French had smashed the Siegfried line at a pivotal point in the Moselle Valley and were hammering (Turn to page 5)

This Is How He Looks

COACH CAROL WOOD

Here is the Yoemen Mentor as he ponders the problems ahead. In Wichita Falls Monday night he won from the West team 24 to 13. He

wonders if he can win a single game in the district title race ahead. With only four lettermen back he must build his hopes around inexperienced material.

## Coach Wood Ponders Problems While Enjoying Triumph of His Eastern Team in Wichita Falls Monday; Must Build Team From New Material

Coach Carol Wood returned Tuesday from Wichita Falls where he turned the tables on the Western team to win with his Eastern aggregation by a score of 24 to 13. Four of the East Texas back field men were able to score a touchdown each. They included T. A. Weems of Rockdale, Walter Heap of Taylor, Fritz Lobpies of Schulenburg and Glynn Tegge of Georgetown.

It was the annual oil bowl game staged for charity in Wichita Falls and the third successive year Coach Wood has coached the eastern team.

While the East team back field generally hogged the lime-light, it is apparent from the Wichita Falls Record-News that Weems of Rockdale was the principal driving back of the team. Coach Wood employed

a balanced game of both power and passing. There were such men as Dean Baggle of San Saba and Wild Willie Zapac of Bellville. Weems scored the first touchdown and on nine tries gained a total of 56 yards. The West came back in the second quarter to do some effective passing and was able to score two touchdowns. The East team gained a total of 92 yards on five completed passes with six incomplete and one intercepted. The West team completed only two passes for 22 yards and had seven incomplete and one intercepted.

Coach Wood was glad to get back to the friendly city Wednesday and to make contact with his Yoemen who have been working out since Monday under Coach Bennett.

### GUS EVANS, JR., WILL PRACTICE OPTOMETRY IN HIS HOME CITY

Gus Evans, Jr., has returned to Cameron from Memphis, Tennessee where he has been taking a course in optometry.

Mr. Evans said Wednesday that he had made applications for license to practice and hoped soon to be able to be associated with his father in Cameron.

Friends in Cameron are happy to know that Gus is returning to his home city, reversing the usual custom of the home town boy making good and going to another part of the country. Gus feels that Cameron is as good a town as can be found anywhere in the country and sees no reason why he should not return to serve his community and to play a big part as a citizen.

In the old days Gus was a star end on the Yoemen team and is very much interested at the present time in the prospects for football during the coming season.

Miss Mildred Thornton will have charge of the YWA program this evening when the group meets with Mrs. H. H. Whatley as hostess.

The City Council at its meeting on Tuesday night voted to assist the Cemetery Association in the upkeep and beautification of Oak Hill cemetery.

### 1939 YOEMEN ARE HOT HOUSE PLANTS

The 1939 Yoemen—hot house plants in a garden of past glory—are being exercised in the cool of the morning by Coach Bennett who got under way on schedule to teach the little fellows something of the rudiments of the game.

The plan is to gradually work into a harder schedule and during the next few days the boys will begin earnest work in preparation for their opening game with Caldwell on September 22 in Cameron.

### SENATOR AND CONGRESSMAN TO ADDRESS ROTARY CLUB

It was announced today by J. B. White, president of the Cameron Rotary Club, that United States Senator Tom Connally of Marlin has accepted an invitation to address the club at some convenient date this fall.

It was also announced that Congressman W. R. Poage will be the guest speaker at the Cameron Rotary Club on Wednesday, September 20.

M. G. Cox, member of the program committee, announced that W. T. Bradbury of Cleburne, prominent Texas fraternalist and business man, will be guest speaker at the meeting on September 12.

## HEART ATTACK IS FATAL TO COUNTY SUPERINTENDENT

Guy T. Newton, 43, World War Veteran and Superintendent of Public Instruction for Milam county, died suddenly at his home in Cameron shortly after 4 a. m. today from heart attack.

While the city slept the popular official and citizen had succumbed to an ailment few knew had troubled the war veteran for several years.

Two weeks ago while attending a meeting of the Executive Committee on sponsorship for the Nursery Schools, he left the meeting because of a heart attack, went to the lobby of the Cameron Hotel and later to his office in the court house.

Friends learned later in the day he had become suddenly ill at the meeting and was forced to return to his office.

Several years ago Mr. Newton was critically ill for weeks from typhoid. It was believed he had suffered permanently impaired health from this siege of illness.

On a visit to a well known clinic several years ago he was told about his heart. Later to friends he confided that when he enlisted in the army in 1917 a notation was made on his enlistment records that his heart was leaking slightly. The strain of the World War and later as County Superintendent his duties took a heavy toll from his vitality.

Guy T. Newton was born and reared in Milam county. The family home is at Maysfield. His father, the late J. K. P. Newton, was a pioneer Presbyterian Minister and at one time County Superintendent of

Public Instruction. Mr. Newton grew up in the Maysfield community, loved the quiet rural life and never was fully reconciled to city living. He faced life's problems as a poor boy and his early struggles for an education is a colorful chapter in his life work. Early he became a teacher and prior to his election as County Superintendent he was Principal of Yoe High School in Cameron.

As county superintendent he became at once the champion of rural education and often expressed the hope that rural life might be continually stimulated along pioneer lines by retaining the maximum of school advantages along with churches.

Funeral services will be held at 10 a. m. Saturday, September 9. Notices to be issued later in the day will announce whether the services are to be held at the residence or Presbyterian church, it was said at the Leland Green Funeral Home.

Besides brothers and sisters, he is survived by his aged mother, Mrs. E. J. Newton, who lives at the old home in Maysfield. He is also served by his widow and three children.

### OFFICIALS PAY TRIBUTE

"He was a loyal friend and an outstanding public official who both knew his duty and did it."—Jeff T. Kemp, County Judge.

"It is one of the saddest things that has ever happened in Cameron."—W. A. Bonds, Tax Assessor and Collector.

"He was a faithful and efficient official and will be badly missed in the court house."—R. M. Kennedy, Sheriff.

"He was the most conscientious

man in the court house. I surely hated to hear of his death."—Homer Nabours, County Clerk.

"I considered him a very capable official who took pride in his work and dealt fairly with everyone."—Penn Wolf, District Clerk.

"He was one of the best fellows in the world and will be missed greatly."—Womack Brashear, Justice of Peace.

"I think he was one of the best men in Milam county. I hated to hear of his death."—W. T. Ramsel.

## Banzhaf Tells About Early Farm Struggle

Early struggles for a better system of agriculture 31 years ago in Milam county were recounted by George Banzhaf, county agent, in an address to the Cameron Rotary Club on Wednesday.

Mr. Banzhaf is the oldest county agent in the United States in point of service. He began his career as county agent in 1908. At that time farmers generally were skeptical about the advantages of so-called advanced methods of farming.

Earl Johnson, local architect, was in charge of the program for the day and introduced Mr. Banzhaf, paying a high tribute to his service as county agent.

Mr. Banzhaf said that it was a real struggle in early days, 31 years ago, to make headway for better farm methods. One of the earliest jobs undertaken by Mr. Banzhaf was terracing and Milam county has made great progress in terracing lands during the last 20 years.

Mr. Banzhaf told about the activities of the county agent from early times to the present day. In 1934 shortly after the United States government took over crop control, Mr. Banzhaf was charged with the responsibility of administering the AAA. The county agent has been relieved of this responsibility and now devotes his time to promoting better

agricultural methods. Mr. Banzhaf was asked a number of questions by Rotarians regarding the details of his work.

President J. B. White, at the conclusion of the meeting, announced that United States Senator Tom Connally has accepted an invitation to address the Rotary Club sometime this fall. On September 20 Congressman W. R. Poage of Waco will deliver the address of the day. On next Wednesday W. T. Bradbury, widely known Texas fraternalist will be the speaker.

Mose Cox, member of the program committee, has received a letter from George Carter, prominent Texas lawyer, of Marlin, accepting an invitation to speak to the Rotary Club on a date to be arranged at the convenience of the local club.

### YOE HIGH SCHOOL HAS

#### 3 NEW FACULTY MEMBERS

Three new faculty members have been elected to teach in Yoe High School to succeed last year's teachers who have resigned to accept positions elsewhere. Miss Martha Ann Harding of Big Springs and Miss Dorothy Renfro of Waco will both teach in the English department. Miss Celeste Tisdale of Denton will have charge of the Home Economics department.

## LOWER ELECTRIC RATES FOR L C R A CONSUMERS

Austin, September 6.—The Lower Colorado River Authority this week had started the actual service of consumers in a wide Central Texas area with low-cost public power generated at its dams on the Colorado river above Austin.

The Authority announced that it had closed late last week the purchase of properties operated by Texas Power and Light Company in a 16 county area adjacent to it, and had started operations of them.

The Authority last January agreed to purchase the T. P. and L. properties in the 16 county area for \$5,000,000.

Taking over the properties this week concluded months of negotiations between the Authority, T. P. and L., the Public Works Administration and the Reconstruction Finance (Turn to page 8)

## Bank Expresses Appreciation For Herald's Comments on 50th Anniversary

Here is a letter received by The Herald from H. M. Hefley, President of the First National Bank expressing appreciation for recent comments on the 50th anniversary of the bank:

Mr. J. B. White, Editor, The Cameron Herald, Cameron, Texas.

We sincerely appreciate the nice things you have had to say in your paper and the expression of good will as evidenced by your letter and the beautiful flowers you sent, on the occasion of the Fiftieth Anniversary of this bank, and it will be the purpose of each member of our force to use our best efforts to render a service to the community that will merit, in part at least, the estimate you have placed on the record of service of the bank.

It is a pleasure to recall that during the years of operation of this bank, The Cameron Herald, Milam County's oldest business institution, has played a most important part in the development and progress of this entire section, and the men who have edited and directed the affairs of the Cameron Herald have rendered a service to the entire County that cannot be overestimated, and under your leadership it has been most useful in encouraging and assisting in the development of every worthy enterprise and undertaking throughout the County at all times.

With best wishes for your continued success and appreciation for the splendid service you have rendered.

Your friends,  
H. M. HEFLEY, President,  
The First National Bank in Cameron, Texas

Prompt Help For  
A Listless Child

Scolding won't help a boy or girl who is listless, dull or cross from constipation. But, here's something that will!

If sluggish bowels have your child headachy, bilious, upset, give him a little Syrup of Black-Draught tonight. Like the original famed BLACK-DRAUGHT, its principal ingredient is an intestinal tonic-laxative. Helps impart tone to the bowel muscles.

Children like the taste of Syrup of Black-Draught. It is an all vegetable product. When simple directions are followed, its action is gentle, but prompt and complete. Comes in two sizes: 50c and 25c.

Misses Beatrice and Willie B. Cass spent Sunday in Galveston.

## Court House News

The Jim Richards Bar located in the Bartek building at the western edge of Cameron's city limits, was padlocked Monday night by Sheriff R. M. Kennedy after he had been called to the place twice to make arrests.

Walter Plocek, owner of the Buckhorn Bar, is in the Cameron hospital this morning because of dangerous knife wounds inflicted in a fight with Henry Shuffield just outside the Richards Bar. Previously Gilford Shuffield had engaged in a fight with and knocked down Chas. Walzel. The call to Sheriff Kennedy came from Walzel and the sheriff went to the Richards Bar, arrested Gilford Shuffield and placed him in jail. Sometime later Walzel called again and the sheriff went out to the bar to learn that Walter Plocek had been badly cut by Henry Shuffield and was in the Cameron hospital.

Sheriff Kennedy then went to the Cameron Hospital and there saw the surgeons sewing up Plocek's wounds. Learning the identity of the man who had cut Plocek, the sheriff started to Maysfield where the Shuffields live but found their car stalled at Belmena when a gas line became clogged. The sheriff towed the Shuffield car on to the Shuffield home near Maysfield and returned with Henry Shuffield to place him in jail.

Sheriff Kennedy told a repre-

sentative of the Cameron Daily Herald this morning that conditions at the Richards Bar, many times referred to as the "Bucket of Blood," had become intolerable because of out-law conditions about the place.

Mede Miller of the Texas Liquor Control Board was in Cameron early Tuesday and said he thought the Board could now cancel the beer license of the Richards Bar. During recent months the bar has been a trouble spot and Sheriff Kennedy said he could no longer tolerate such a place and if necessary he would go to district court for an injunction to close this bar.

For the sake of the legitimate beer industry, proprietors of orderly operated places of business were becoming considerably alarmed over the reflection on decent business as result of continued law violations in spots where control has become a problem.

Dance halls operated in connection with places where beer and intoxicating liquors are served, officers say, give them more trouble than any other place where alcoholic beverages are sold. Women of questionable character are often found in these places further complicating the problem of law observance, officers declare.

## Heed that SQUEAK!

... Like the first sneeze of a hay-fever victim, it's a sign of approaching trouble. For it indicates that your car has gone too long without lubrication, and you know, as well as we do, that the life of any kind of machinery is dependent on its proper lubrication at regular intervals. ... Note that we've underscored the word "lubrication"; there's a reason for that. It's to differentiate the lubricating needs of your automobile from the old-time "grease job" which survived the axle-greasing days of the horse-and-buggy era. ... Nowadays, lubrication requires experts using specialized lubricants developed by other experts to do the job asked by the automotive engineers—it's a thing far different from "greasing ...". So heed that squeak: take your car to the nearest Humble sign for verified Humble lubrication—for an expert job utilizing continually improved Humble lubricants as recommended by the manufacturer of your car. ... Incidentally, this is a good time to do that squeak or no squeak: we'll bet you've been driving a lot this summer.

### FIRST METHODIST CHURCH

A. J. McCary, Minister.

Worship Sunday morning. Sermon subject: Pilgrims of Squatters.

Evening Worship, 7:30.

While our world is disturbed today with horrible stories of war and of the future possibilities in the various fields of human endeavor still we should not forget that one day out of seven is set apart, and ordained of God, as a day of rest and worship. May we look to God in these troublous times for wisdom, courage, and guidance.

You are invited to worship at the Methodist Church.

Mr. and Mrs. F. A. Marek visited relatives in Waco, Mr. and Mrs. P. S. Skrabanek and also visited with relatives in West.

### Aged Inmates of County Poor Farm Fight; One Is In Hospital With Critical Knife Wound While the Other Is In Jail Facing Possible Murder Charge

Violence flared late Wednesday on the County Farm for the poor when two of the aged inmates engaged in a fight.

W. E. Murray is in the Cameron Hospital with a knife wound in his right side and in a critical condition while Woodson Hawkins is in jail facing possible murder charges.

Officers investigated the fight. Justice Womack Brashear said the aged men fought after an argument. Hawkins said Murray went to Mr. and Mrs. Lowe, care takers at the farm, accused him of talking about

the farm nude.

Murray picked up a chair to hit Hawkins and as he made a movement Hawkins cut Murray with a pocket knife. The wound is regarded as serious because of the advanced age of Murray.

Officers said a seven inch wound was inflicted. Murray knocked Hawkins off the porch of the poor house after he had been slashed with the knife.

Deputy Sheriff Clarence McCall, made the arrest, placing Hawkins in jail.

### E. B. PHILLIPS DIES IN BRENHAM

### Hooker

(Continued from page 1)

maintainer. He was born at Milano and had lived the most of his life in Milam county.

He was married to Miss Eva Allen in 1888 when he was 19 years old and she was 15. He joined the Baptist Church in 1924. Last spring he underwent an operation in a Temple hospital where he was a patient for many weeks, and was later taken to his home in Marlin where his condition remained critical.

He was the father of eight children two of whom preceded him in death. He is survived by his widow and children as follows: Mrs. Roy Fulton of Lott, Mrs. Oma Deer of Cameron, Mrs. Mattie Norquist of Austin, Mrs. Georgia D. Jennings of Kosse, G. D. Hooker of Marlin and Carl Allen Hooker of Marlin.

Pall bearers were his nephews, Jack Hooker of Lott and J. R. Lee of Houston, his wife's nephews, Warren Allen of Marlin, Wayne Allen of Kosse, R. L. Allen of Marlin and a grandson, Clyde Greenlees of Cameron. Honorary pall bearers were friends in Marlin.

The following in memory of Mr. Hooker was written by C. W. Allen of Waco:

Thou art gone our precious treasure

For thy presence we shall mourn  
We shall look for you in Heaven  
On the Resurrection Morn.

There among the Blessed Angels  
There beside the Snow White Throne  
God is waiting to receive you  
He will take your soul back home.

We shall miss your friendly council  
We will need your helping hand  
You have been the greatest blessing  
To the people of our land.

You have made our life much brighter  
Placing standards there to stay  
You have made the world much better  
Because you passed along this way.

Those sunburned hands are stilled forever  
Though they have toiled in sun and rain

Day and night to make it safer  
For the passing train.

In those hands was the lives of others  
And as the wheels go rumbling by  
I think of you my dear beloved Papa

And how I dread to say Good-Bye.

But God has called you from your duties  
Just transferred to another land  
He has built for you a mansion  
In that home not made with hands.

A family reunion of the former Martin sisters was held at the residence of Mr. and Mrs. Will Walker near Rockdale recently with all six sisters ranging in age from 59 to 78 years were present for a sumptuous luncheon and a pleasant day of conversation and fun. Those present were Mr. and Mrs. A. J. Garner of Sharp, Mrs. Lee Williams of Sharp, Mr. and Mrs. W. H. Thompson of Georgetown, Mr. and Mrs. Frank Richardson of Ad Hall and Mr. and Mrs. Claude Yarborough of Okla-homa.

Miss Alice Fanning, in the office of Guy T. Newton, county superintendent of public instruction, has been granted a nine months leave of absence during which time she will be a student at Oklahoma Baptist University.

Miss Fanning will leave the latter part of this week for Oklahoma City to begin the fall semester. She is a graduate of Yoe High School and later had commercial training at Baylor College. While she is in school, her sister, Miss Elizabeth Fanning will take her place in the superintendent's office.

### FRANK SLOCOMB SUCCEUMBS FROM ACUTE INDIGESTION

Word has been received here of the sudden death of Frank Slocumb, 49, of San Antonio. Mr. Slocumb died at 2 a. m. Sunday, September 3, in Houston. He apparently suffered an attack of acute indigestion during the night as he made no complaint of being ill upon retiring. He and his wife had stopped in Houston over night on their way to Galveston to spend their vacation.

Mr. Slocumb was born and reared in Cameron, son of the late Mr. and Mrs. S. J. Slocumb, and has many relatives and friends living here at this time. Funeral services were conducted Tuesday at 4:30 p. m. from the Hagy & McCallum Funeral Home in San Antonio.

### WAR

at the main forts of the German defense wall near the Rhine River.

The German high command had withdrawn several divisions of crack troops from the Polish campaign to stem the French advance. The Germans were counter attacking. British troops had moved to the front for the attack.

In the Saarbrücken region French planes had begun heavy bombing of industrial plants. On the northern end of the battle line near the Swiss border French troops had advanced 15 kilometers or 9 1-2 miles.

The first train load of wounded French soldiers had reached Paris. French families were being told about the war dead.

Premier Mussolini of Italy was believed ready to make another Peace move. Yesterday in the House of Commons in London

Neville Chamberlain, the British Prime Minister, said no peace will be made until Hitler is destroyed. England, France and Poland cannot make separate peace under the terms of the pact.

G. C. Todd of Briary was a Cameron business visitor Thursday morning.

### CHRISTIAN SCIENCE SERVICES

"Substance" is the subject of the Lesson-Sermon which will be read in all Churches of Christ, Scientist, on Sunday, September 10.

The Golden Text is: "Labour not for the meat which perisheth, but for that meat which endureth unto everlasting life, which the Son of man give unto you: for him hath God the Father sealed" (John 6:27).

Miss Betty Jo Dickens was hostess to the Jolly Comrades on Saturday evening when they observed their first anniversary with a banquet given on the lawn of the J. M. Dickens home. Blue post cards and programs supplemented beautiful arrangements of marigolds, the club flower, to carry out the club color.

Seawell, whose pseudonym is Gloria Young was guest of honor. Mrs. Seawell is editor of the Boy's and Girl's page of the Baptist Standard and sponsor of the Jolly Comrades of Texas. Other guests were Misses Alice Fanning, Verna Marie Miles of Hillsboro and Berta Ruth Petty of Centerville. The theme of the program was "Jolly Comrades around the world." Miss Ray Fanning and Mrs. Ralph Koepf assisted Mrs. J. M. Dickens in serving a delectable banquet menu. In addition to guests there were twelve members present.

Mrs. Ella McLerran of Rockdale has been visiting here in the home of Mrs. Edna Brady and daughter, sinking steamer.

John Sanders of Shreveport spent the week end here in the home of Mr. and Mrs. Lester Glass.

### CAMERON SCHOOLS TO OPEN SEPTEMBER 11

All of Cameron's schools will open on Monday, September 11 at 9 o'clock.

The Senior class is expected to be the largest in the history of the school, it was said by Superintendent E. A. Perrin.

Inroads have been made on the 10th grade by failure of many pupils to transfer from Buckholts and Ad Hall as these schools are to teach the 10th grade this year. This will result in a big loss to Cameron and Cameron schools.

School will open with a band concert on the campus from 8:30 to 9:15 a. m.

Pupils of Ada Henderson School immediately after the concert will go to the rooms they occupied last year, while students of the high school will assemble in the auditorium.

Members of the senior class will be seated in the balcony while the underprivileged classmen will occupy the main floor.

### LIONS CLUB HEAR

MISS MARY BELL BATTE

Miss Mary Bell Batte gave the program for the Cameron Lions Club Tuesday when she talked about a recent visit to the nation's capital and other interesting parts of the country.

The meeting of the club was a happy occasion for the members celebrated the return of their president, Guy T. Haynes, who has been a student in State University this summer. Mr. Haynes enjoyed his summer away from Cameron and returns as principal of the Ada Henderson school, much better equipped for his work.

Miss Batte's talk was both humorous and instructive and the Lions thoroughly enjoyed her comment on the places she visited during the early part of the summer.

### SERIOUSLY ILL

Word was received here by friends today of the serious illness of John C. Oxenford of Navasota. Mr. Oxenford is a former Milam county citizen and has many friends here who hope for his recovery.

Harry and Jane Hinton, who have been visiting relatives in Houston for the past week, will return to their home here on Friday and will start to school on Monday.

Mr. and Mrs. W. H. Stafford returned to the city late Tuesday from Oklahoma where Mrs. Stafford has been visiting for the past two weeks and Mr. Stafford went up for the week end.

1940 PLYMOUTH CAR,  
THE LUXURY RIDE, NOW  
AT SAPP MOTOR COMPANY

The new Plymouth Luxury Ride, the first 1940 automobile to reach Cameron, is on display in the sales room of the Sapp Motor Company, it was announced here this morning by John Sapp, owner.

The new Plymouth, one of America's most popular automobiles, was definitely out in front to pioneer the new automobile styles for 1940. Many improvements have been made in the streamlined appearance of the car. Mechanical details of the new Plymouth were not announced, but will be explained to visitors at Sapp Motor Company this afternoon and tonight.

Mr. Sapp said the show room would remain open this evening to accommodate those who wish to see the first 1940 automobile to reach Cameron. Drivers of Plymouth cars in this vicinity were pleased with the new model.

## CARD OF THANKS

Though sometimes it is difficult to find words to adequately express our true feelings of appreciation, we wish to take this means to thank all of our many friends for their words of sympathy and acts of kindness during our recent bereavement at the death of our mother, Mrs. J. M. Cave. We wish to thank each one who sent floral offerings and all who assisted in any way.

D. C. Cave.  
Thomas M. Cave.

## There's ONLY ONE

### Carlsbad Caverns

Discovered in 1901; made a national park in 1930. Carlsbad Caverns are, in size, delicate coloring, bewildering variety and perfection of formations, without peer among the famous caverns of the world. Of astounding proportions, the Big Room, 750 feet underground, is  $\frac{3}{4}$  of a mile long, 625 feet wide and 300 feet high, is studded by literally billions of formations, many of which, like the Giant Dome, here, took sixty million years to form. 7 miles of corridors and chambers have been developed. Other grottoes, discovered at the 900-foot and 1,300-foot levels remain to be explored. No one knows the full extent of this "King of the Caverns" which inspires 5,000 visitors each month with its breath-taking beauty.—Photo by Jay Leck.

## No other beer duplicates the Flavor, Body and Quality that make PEARL Famous!

What Carlsbad Cavern does to the eye, Texas' Own PEARL Beer does to the taste. "Magnificent" is the only word for it! Try an iced-cold bottle of PEARL Beer any summer day and judge for yourself why a jury of thou-

sands more taste-wise Texans everyday declare it tops for flavor, body and quality and a winner for palate-pleasing pep and refreshment. You'll get a genuine taste-thrill every time you say, "Bottle of Pearl, please!"

This brewery is completely air-conditioned and air-refrigerated to insure the purity of PEARL BEER.

Hill church.)

OUR CHURCH WELCOMES YOU

"Blessed are they that hear the

Word of God and keep it."

Think It Over!

There is war in Europe and in

Asia (China.) What is the underly-

ing cause of war? It is man's sin!

Not God but sinful man is the or-

iginator of warfare; and there has

never been war without sin as its

underlying cause.

If America is not to become in-

involved in the European war, we must

engage in a war here in America,

so that we will be too busy to par-

ticipate in any foreign wars. Amer-

ica must conduct war on sin, a war

fought not with guns or earthly

weapons, but fought with the weap-

ons of the Spirit of God; a war

fought not against flesh and blood,

but against all wickedness and sin

which manifests itself in human life;

a war, in which the real enemy is the

enemy of all mankind and of God,

even satan, who is the instigator of

sin in the world as in every individ-

ual life; and therefore a war which

must be fought by every man, wo-

man and child in America if Amer-

ica is to be the victor and not suffer

shameful defeat. IF THIS WAR IS

SUCCESSFULLY FOUGHT AND

WON, WE NEED NOT FEAR

ABOUT BECOMING INVOLVED IN

HUMAN WARS, for these will cease

when the war against sin is won.

## HOT WEATHER CONTINUES

The temperature for the week has ranged from 100 degrees and over, according to R. A. Tag, local observer. Mr. Tag said the reading on last Saturday reached 107 degrees. The high temperature is unusual for this time of year. Records of temperature for the summer season show that this summer has been longer and more intense than in 1938.
